**Bowdoin Awarded Massachusetts  
Safety Council Group Safety Award**

Randolph, Massachusetts - The Massachusetts Safety Council has recognized Bowdoin Construction with a Group Safety Award for 2008. This safety award recognizes companies whose safety performance and programs are exemplary. The award was presented to Bowdoin's safety manager at the Massachusetts Safety Council's annual luncheon at Lantana in Randolph, MA on June 4, 2008.

Bowdoin Construction is one of the New England Regions leading construction management and general contracting firms with expertise building corporate commercial properties, academic/cultural institutions, medical/healthcare centers, hospitality/multifamily communities, and retail/restaurant developments.
