OCTOBER, 2009**

**Bowdoin Breaks Ground for  
Massachusetts Golf Association's First  
Tee Clubhouse**

Norton, Massachusetts - Bowdoin recently broke ground for the Massachusetts Golf Association's First Tee Clubhouse in Norton, Massachusetts. The project, designed by KFP Architects, Inc., involves the demolition of the existing building and the construction of a new 2-story clubhouse with HardiPlank siding and an asphalt shingle roof. The new facility will feature a multi-purpose/dining area, pantry and food service area, waiting area, restrooms and a pro shop on the main floor; offices on the second floor and maintenance storage in the basement. Also included is extensive site landscaping.

Bowdoin Construction is one of the New England region's leading construction management and general contracting firms focused on providing a solutions based approach to each of our client's specific building needs.
