**Bowdoin Begins Renovations for
Solomon Schechter Day School in
Newton**

Newton, Massachusetts - Bowdoin recently started renovations at the Solomon Schechter Day School in Newton, MA. Bowdoin provided four months of pre-construction services working in conjunction with the school to ensure that the school's budget would be achieved and to coordinate phasing so as to minimize disruptions. The project, designed by Drummey Rosane Anderson, Inc., involves extensive HVAC upgrades, a new entrance vestibule, interior finishes and site work to improve drainage.

Bowdoin Construction is one of the New England region's leading construction management and general contracting firms focused on providing a solutions based approach to each of our client's specific building needs.
