**Bowdoin and Annino Associates
Celebrate the Dedication of the
YMCA's Foxboro branch expansion**

Foxboro, Massachusetts - Bowdoin and Annino Associates celebrated the dedication of the YMCA's Invensys Foxboro Branch/Kraft Family Center expansion project on a 27 acre site in Foxboro, MA. The official ceremony took place on October 7, 2008 in the new gymnasium and included the presentation of framed renderings of the new facility to the major donors.

The 52,000 s.f. expansion and renovation project involved extensive pre-construction services followed by the construction of the new Spier Family Aquatic Center featuring a large indoor swimming pool, whirlpool, sauna and steam room; a new gymnasium with elevated walking/jogging track, expanded wellness center and a group exercise studio. Also included were new and expanded locker rooms, a new child watch area, new teen center, new and renovated administration areas and new community/multipurpose rooms.
